Cal OES Internal Statewide Incident Briefing

2000 hours, April 17, 2019

California's southern coast ranges are blooming right now including this amazing tapestry of flowers on BLM-managed public lands in western Kern County's Temblor Range.

WEATHER KEY POINTS

04/17/19 - 04/23/19

Wednesday-Friday

- Dry conditions and warming trend will continue with temperatures generally 10 to 15 degrees above normal by Thursday-Friday.
- Increased temperatures late this week will continue melting of snowpack and will likely lead to rises in rivers and streams. No flooding impacts expected at this time.

Saturday-Tuesday

- A few showers across northern CA Friday night into Saturday, but no significant impacts are expected and snow levels expected to be around 8,000-9,000 feet.
- Cooler conditions with most locations near normal Saturday into Sunday.
- Gusty west winds expected for southern CA mountains and deserts, strongest Saturday afternoon and evening.
- Dry conditions with another warming trend again early next week
